

Vinci, Alanera & Superbox top cover adapters

Molti modelli di bicicletta in commercio sono compatibili con il sistema DCR (Deda Internal Cable Routing). Per alcuni marchi sono stati sviluppati specifici adattatori per Vinci, Alanera e Superbox, la lista completa dei modelli di bici compatibili è disponibile sul sito www.dedaelementi.com.

Several bicycle frame models available in the market are compatible with DCR system (Deda Internal Cable Routing). For some brands specific adapters for Vinci, Alanera and Superbox have been developed. The full list of bicycle models compatible with DCR system is available at www.dedaelementi.com.
